Felt Christmas

Free pattern · Christmas stocking, tree decorations and napkin rings · no hemming · level: beginner

Materials

Craft felt 1.5 mm red, 90 cm wide	1 metre
Craft felt 1.5 mm green and white	1 metre each
Satin ribbon 9 mm (loops of 12 to 15 cm)	1 metre
Decorative thread and an embroidery needle, or sewing thread for the machine	1 reel
A handful of polyester stuffing (for the decorations)	
Sharp scissors, pins or sewing clips	

With 1 metre of each colour you can make 2 Christmas stockings, around 12 tree decorations and 8 napkin rings. No seam allowance: felt doesn't fray. You sew on the outside, visibly, so choose a thread colour you like.

Christmas stocking

approx. 23 cm tall · 45 minutes

1. Cut the stocking twice from red felt. For the cuff, trace the top of the stocking down to the scalloped line and cut that twice from white.
2. Place a cuff on each stocking half, top edges aligned, and stitch it in place along the scallops.
3. Put the halves together. Tuck a 12 cm loop of ribbon between the layers at the top of the heel side.
4. Stitch all the way round, 5 mm from the edge. Leave the top open.

Tree decorations

star, heart and tree · 20 minutes each

1. Cut each shape out twice.
2. Sew the layers together with blanket stitch or stitch 3 mm from the edge. Leave a 3 cm gap.
3. Fill with a little stuffing.
4. Tuck a 15 cm loop of ribbon into the gap and sew it closed.

Napkin rings

15 minutes each

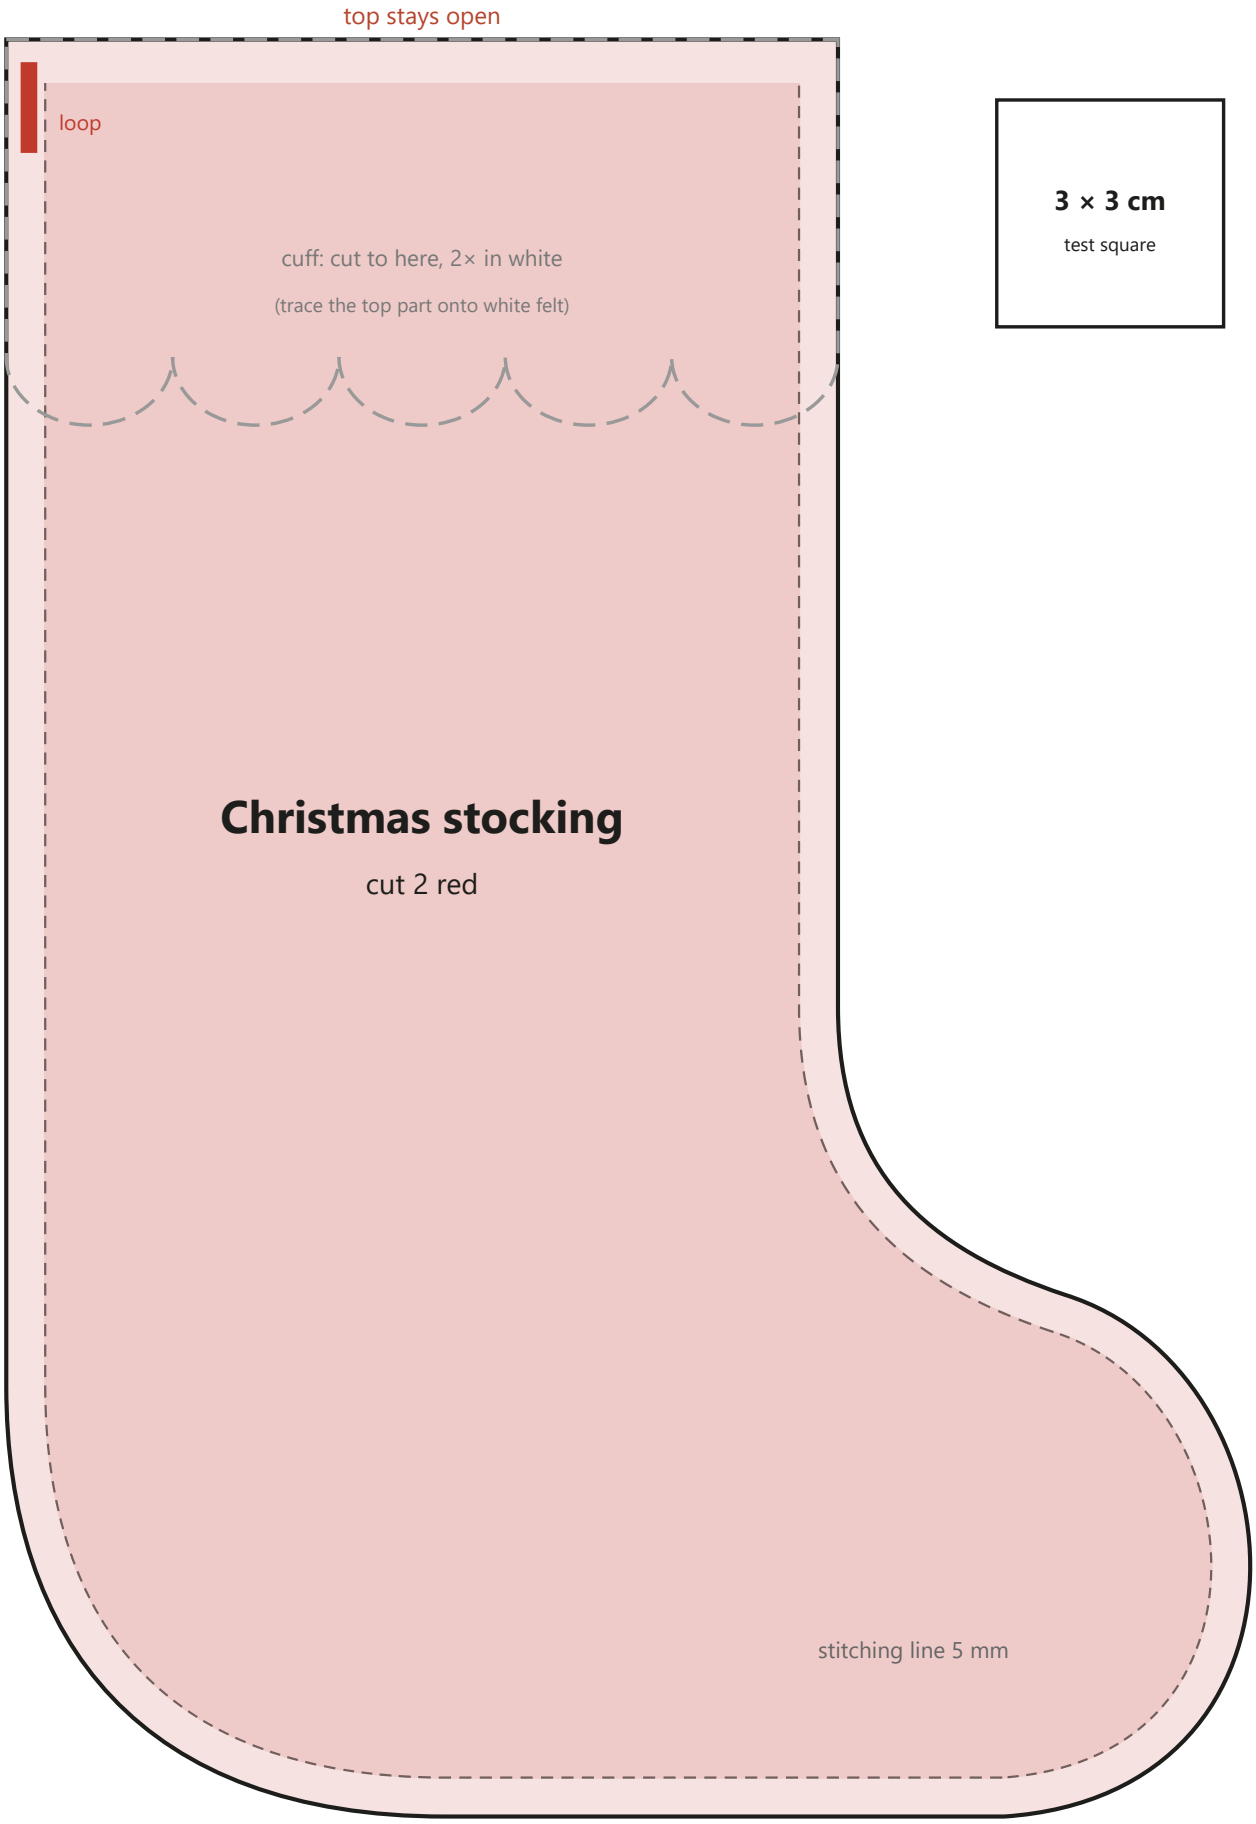

1. Cut a 15 × 4 cm strip, 2 holly leaves from green and 3 berries from red.
2. Overlap the ends by 1.5 cm and sew them together: a ring.
3. Sew the leaves and berries over the join. It disappears underneath.

Printing

Print pages 2 and 3 at 100 % (not "fit to page") and measure the test square: exactly 3 × 3 cm. The thick line is the cutting line, the dotted line the stitching line.

Christmas stocking at full size

Cutting line = thick line. Stitch 5 mm from the edge (dotted line). The cuff is the top of the stocking down to the scalloped line.

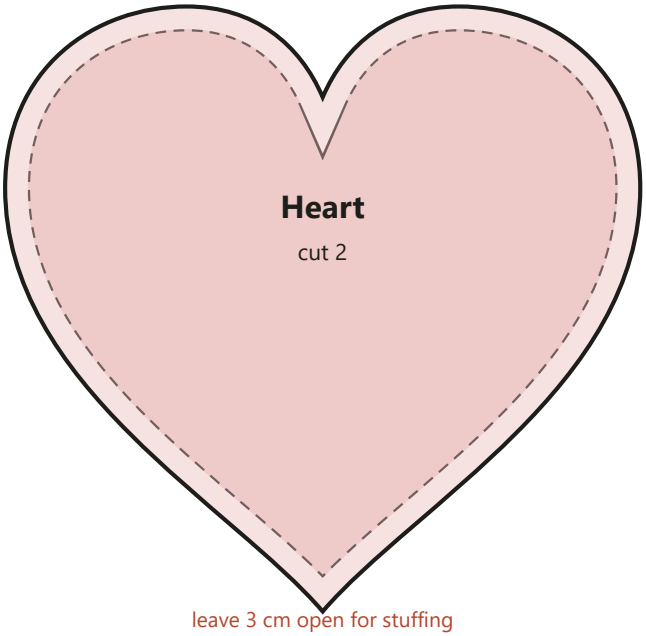

Tree decorations and napkin ring at full size

Cutting line = thick line. Sew the decorations 3 mm from the edge (dotted line).
