Inner cushion C is always the same size as front A. Start with the lower amount and add more until the cushion feels right.

Details and order of work

The test square is full size. Print at 100 %, not "fit to page".

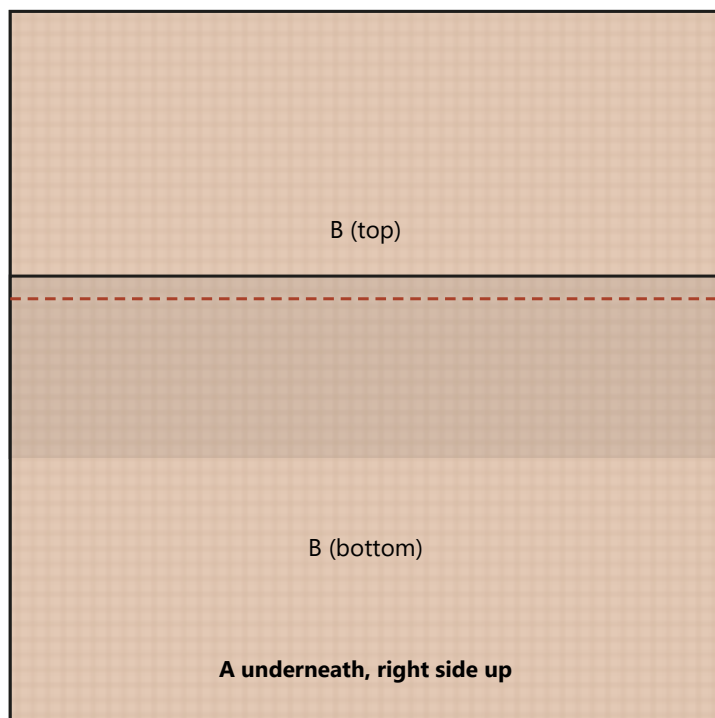

Hem on back piece B · not to scale

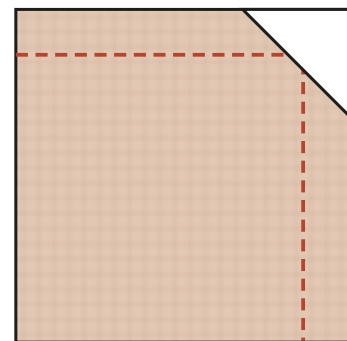

1. Fold the long edge 1 cm to the wrong side.
2. Fold again by 2 cm, press and pin.
3. Stitch close to the inner fold (red dotted line).

Layering · scale 1 : 5

Both B pieces wrong side up, hemmed edges towards the middle.
Line up the outer edges and pin all round.

Corners · not to scale

Stitch all round at 1 cm and turn at the corner with the needle down.
Trim the corner diagonally, 3 mm from the seam for a sharp point.

Order of work

1. Cut A, 2× B and 2× C. 2. Hem the long edge of both B pieces. 3. Layer A and the Bs, stitch all round.
4. Trim corners, turn the cover. 5. Sew C + C all round, leave 15 cm open. 6. Turn, fill with 350–450 g of stuffing, close the opening. 7. Slide the inner cushion into the cover through the envelope.
